## EXPERIENCE

### AP Biology Teacher

*IDEA Montopolis College Preparatory, IDEA Public Schools*

August 2018–July 2020  
Austin, TX

- Constructed curriculum, managed classroom including grading, behavior, and tutoring, and implemented targeted plans for individual students, driving student achievement for historically low-performing cohorts.

### Writing Consultant

*University of North Texas, Writing Center*

August 2016–May 2018  
Denton, TX

- Tutored clients one-on-one on their English writing, grammar, and planning skills through collaborative discussion.
- Developed plans with long-term clients for how to tackle long-form writing, projects, and theses.

### Researcher, SEA-PHAGES

*Howard Hughes Medical Institute*

August 2014–May 2016  
Denton, TX

- Collaborated to isolate bacteriophage DNA and submitted phage genome for sequencing under Dr. Lee Hughes.
- Analyzed and annotated bacteriophage genome through BLAST bioinformatics.

## EDUCATION

### Full Stack Web Development Certificate

*University of Texas*

January 2020  
Austin, TX

### Bachelor of Arts in Biology & Bachelor of Arts in English

*University of North Texas*

May 2018  
Denton, TX
